

GREAT PLAINS FEDERAL CREDIT UNION

July 2018

Person To Person with Apple Pay

Sending money can now be as simple as sending a message. With Apple Pay Cash you can now pay or request money from friends, family, babysitters and more using your Great Plains FCU debit card in the Apple Pay app. Move your money with just a touch of your finger or by asking Siri. This feature is also available on the Apple Watch.

You can set up an Apple Pay Cash card in the wallet app on your phone. Add money to the cash card 034422 from your credit union account or transfer funds from the cash card into your credit union account.

Several of our employees with iPhones have said they would volunteer to let you transfer money to them if you were wanting to try it out. Just another example of how we are always willing to go above and beyond for our members.

Credit Union Auto Loans Drive Away With a Better Rate

Great Plains has made adjustments to auto financing rates and terms just in time for summer. Whether your travel plans include a cross-country road trip for the family vacation or simply navigating cross-town traffic to get to work, make sure your vehicle is up to the task. If it's not and new wheels are in order, visit the credit 036712 union for a low rate pre-approved vehicle loan. With a pre-approved loan from Great Plains you have the freedom to shop for the vehicle you want, not the one a dealer is trying to sell you.

Start by making a list of what's important to you, be it excellent gas mileage or

room for your growing family. Then do your homework by reviewing websites such as edmunds.com or kbb.com. You can also check the annual auto issue of Consumer Reports for vehicle reviews. Keep in mind that a late model used vehicle may be the best value. Vehicles lose up to 46 percent of their value in the first three years according to Consumer Reports. That depreciation can work in your favor giving you more vehicle for your money.

Whether it's new or just new to you, you can't go wrong financing your vehicle with a Great Plains loan. Call or stop in your local branch for your application.

Summer and the open road beckons. It's time to answer the call. With a motorcycle loan from the credit union, you can ride a taste of freedom. If you are a new rider, start with a visit to the Motorcycle Safety Foundation's website: www.msf-usa.org where you'll find information on taking a basic rider course 046182 as well as an extensive library of tips and materials.

Then stop by your local branch to apply for a low-cost motorcycle loan. With a pre-approved loan, you can shop for the ride that's right for you whether it's new or just new-to-you. Remember to make room in your budget for protective gear, such as helmet, jacket, boots, and pants. Have fun and be safe!

Annual Meeting Results

The Great Plains Federal Credit Union annual meeting was held on April 27, 2018. Here's a quick recap for those unable to attend.

The meeting was called to order by Cecil Flood, board secretary, due to the absence of the chairman and vice-chairman. He read the minutes from the previous meeting and then introduced the branch managers in attendance. There were four 701043 candidates for the three open board positions so President Kelley Melton provided instructions for completing and submitting ballots.

President Melton reported for the chairman. He mentioned the credit union's continued commitment to its members and activities undertaken since the last annual meeting. President Melton then reviewed the financial report. The credit union remains in a solid financial position. 2017 marked the 10th time in the last 12 years that the credit union gave back to the members in the form of interest rebates and bonus dividends. For the last three years the credit union has given back nearly all of its net income.

Supervisory Committee Chairman Robert Medley reported for that committee. He noted the responsibilities of the 804422 committee and how those duties were met. He also informed the members of the results of the most recent audits and regulatory exams.

Secretary Flood then announced the election results. Robert Medley and Joe O'Blak retained their seats on the board. A new board member was elected, Jeffrey Zimmerman. We welcome him to the board and thank him for his willingness to serve.

Drawings were held for cash and other prizes. We appreciate all those who were able to take the time out of their weekend to join us.
